

návrh DIO - sil. II/610 Turnov/Svijany - rekonstrukce vozovky, mostů, propustků

Map showing the proposed DIO (Dopravní inženýrsko-organizační) route for road II/610 in the Turnov/Svijany area. The route is highlighted in red and blue, indicating different sections or phases of the project. The map includes labels for various locations: Svijanský Újezd, Močítka, Svijany, Přibyslavice, Turnov, Kadeřavec, Mašov, Kacanovy, Olešnice, Žďár, Doubrava, Břehy, Modřice, Přepere, Čtverín, Pěčín, Nudvojevice, Vesecko, Hrubý Rohozec, and Skalany. The map also shows the course of the Elbe River (Labe) and several smaller water bodies like Velký Písečák and Malý Písečák. A scale bar at the bottom left indicates distances up to 1200m. A legend at the bottom right identifies the author as Zbyněk Slouka and provides contact information.
